

The Antioch News

10¢ PER COPY First in Service to Readers ANTIOCH, ILLINOIS, THURSDAY, AUGUST 30, 1962 First in Results to Advertisers VOL. LXXVII NUMBER 9

MRS. ARTHUR RIEGLER bid \$59.72 in last week's Mail Auction sponsored by the Antioch News, and smiled happily as she viewed the beef she'd bought with her high bid.

Beef Goes For \$59.72, 4 Winners Next Week

Mrs. Arthur Riegler, Rt. 2, Box 787, Lake Villa, won the third mail auction sponsored by the Antioch News with a bid on \$59.72 for a quarter of beef.

Mrs. Riegler was on vacation in Chicago when the Antioch News tried to locate her to notify her she was high bidder. Her husband was finally contacted and Mrs. Riegler appeared to claim the meat.

The Rieglers moved to Lake Villa from Chicago 18 years ago. Mrs. Riegler has worked at Abbott Laboratories

for 13 years. She arrived at her bid by arranging the ages of her four grandchildren in a number. Her fifth grandchild was born Saturday, August 25.

The bid was for a quarter of beef weighing 118 lbs. and included cutting to the customer's order, wrapping, freezing and storage for 90 days.

Transfer Radio

The next item to be auctioned will be a Westinghouse transfer radio, or rather four radios, as the top four bidders will be allowed to purchase a radio for the amount of their respective bids. The radios, purchased from Wilton's Electric Shop, have six transistors, and have a retail value of \$29.95 each.

The auction will open with the publication of this issue and will close at midnight, September 5. Your bid must be entered on a coupon from the Antioch News (see ad on another page of this issue for contest rules and entry blank). Submit your entry in a sealed envelope, either by mail or at the News office.

High bidders must claim the merchandise they have bought at the News office 48 hours after being notified that they are winners.

The radios will be on display both in the News office window and at Wilton's Electric Shop.

All Out Plans For "Holiday Alert"

An all out attempt to prevent Labor Day traffic accidents is scheduled for Labor Day weekend. At the request of the Governor's Traffic Coordinating Committee all traffic agencies will cooperate. The Illinois State Police will have its full force on the highways. There will be patrol by marked and unmarked cars and radar and speed checks by airplane. All leaves and days off have been cancelled for the holiday period.

Antioch Grades Have Several New Teachers

The Antioch Grade School system has several new teachers as the 1962 school year starts.

Mrs. Joanne E. Dierking, who taught in the Carpentersville schools for five and one-half years, will teach first grade at the Oakland school. During the past school year she has acted as a substitute teacher for the Antioch Grade School system. She resides at 1909 Park Court, Lake Villa, with her one daughter and husband, Paul, who is a fifth grade teacher at the Antioch building.

Mrs. Phyllis J. Good, 715 Piper Lane, Lake Villa, will teach first grade at the Oakland School. She holds a B.S. degree from Illinois State Normal University. Mrs. Good had been a teacher in this system before she left to raise a family.

Mr. John F. Karolus received his B.S. degree in August, 1962 from Eastern Illinois University at Charleston. His home was in Dwight until this summer. He and his wife, Wanda, will reside at 200 Oakwood Drive. Mrs. Karolus will teach second grade at the Oakland building where he will be teaching fifth grade. Mrs. Karolus hails from Decatur,

and holds a B. S. degree from Eastern Illinois University also.

Mr. Robert H. Neuman, 138 N. Cora, Fox Lake, will teach sixth grade at the Antioch building. Mr. Neuman holds a B.S. degree from Northern Illinois University. He has previously taught 7th grade at Round Lake School and taught for one year at Big Hollow Grade School, also in the seventh grade.

Miss Barbara E. Quimet attended Northern Illinois University and received her B. S. degree in 1962. She has been employed to teach 4th grade at the Oakland building. Her hometown is Sycamore, Ill. She will be residing at 359 Lakewood Avenue in Antioch.

Miss Marie Z. Pumper will teach fourth grade at the Oakland building. Her home is in Milladore, Wis., and she has recently received her B. S. degree from Central State College, Stevens Point, Wis. While teaching in Antioch, she will reside at 1055 Victoria street.

Miss Eunice Rawson lives in Bristol, Wis., and will be teaching third grade at the Oakland building. She holds a B. S. degree from Northern Illinois University.

Antioch Grade School Classes Start Sept. 5th

The first day of school for pupils of the Antioch Grade School District 34 will be Wednesday, Sept. 5, 1962. The 5th, will be a full day of school from 8:45 a.m. to 3:30 p.m. for all pupils except kindergarten. All school buses will be in operation on Wednesday, Sept. 5, picking up children eligible for bus transportation in the morning and returning them to their homes at the close of the school day.

However, school starts for the teachers of this district on Tuesday, Sept. 4. Dr. W. C. Petty, County Supt. of Schools, has declared Tuesday, Sept. 4, an Institute Workshop Day for school district 34. This day will be counted as one of the 180 days required by law for a full school term.

All teachers will report for duty at 8:15 a.m. on Tuesday, Sept. 4. Building faculty meetings will be held at 10:30 a.m. After attending a luncheon in the Antioch cafeteria for all school employees and board members, teachers

will participate in an afternoon workshop conducted by Dr. Richard L. Felker. Dr. Felker will discuss the new English program that has been adopted by the Antioch Grade School system. School officials again urge that, if possible, all new pupils and kindergarten children be registered before the first day of school, either at the Antioch Grade School office or at the Oakland Grade School office.

On Wednesday, Sept. 5, registration for Antioch kindergarten students will be carried out in two shifts. Children living outside the village will register in the morning at Oakland and their class will be in session from 8:45 a.m. to 11:15 a.m.

The kindergarten fee for the year will be \$7.50; book rental fees will be \$3 for grades 1 through 4, and \$4 for grades 5 through 8. School insurance will cost \$2.50. September lunch (cafeteria opens Sept. 5) will be \$4.50, and September milk will be 36c.

Norman Jedele & David Cain Become Business Partners

The new partnership of Norman S. Jedele and M. David Cain was announced this week and will become effective Sept. 1, 1962.

The partnership, to be known as Jedele and Cain, Certified Public Accountants, will be located in its new building at 1200 Main St., Antioch. The firm expects to move into their new quarters by Sept. 1.

Norman Jedele is well known to Antioch area residents, having had offices here since 1953. He attained his C.P.A. degree in 1951 and has been employed by Ernst and Ernst, C.P.A.'s, Milwaukee, Wis., and by Pollard and Wheeler, C.P.A.'s, Rockford, Ill.

He was also a partner in the R. & J. Chevrolet Sales, a local automobile dealer. In addition to Mr. Jedele's business background, he has been active in local civic affairs. He was a member of the Antioch grade school board of education, serving as president of that body for six years. Mr. Jedele is also a member and past president of the Antioch Lions Club. Mr. Cain was awarded his Business Administration degree from Northwestern University in 1959 and has been

employed by Jedele since his graduation. In May of this year, he passed the Illinois C.P.A. Examination.

Their new building on South Main Street is designed especially for the efficient operation of an accounting practice. Two private offices, a conference room, and library for group meetings, a general office and reception room make up the major portion of the floor plan.

Space for duplicating machinery and a fireproof vault for the protection of clients' books and records are also included.

Attractive wood paneling makes up the interior decor and the building is completely air-conditioned. Adequate parking space will be available for clients at both the front and rear of the office.

List Meetings Of Bike Paths Committee

The Lake County Bicycle Paths Committee, formed to promote highway safety by the establishment of bike paths along Lake County roads, will hold its next meeting in Wauconda on September 2. The group met in Millburn last Sunday.

Schedule of upcoming meetings is: September 9 at Zion, Sept. 16 at Long Grove, Sept. 23 at Grayslake, Sept. 30 at Lake Forest, Oct. 7 at Antioch, Oct. 14 at Fox Lake, Oct. 21 at Waukegan, Oct. 28 at Evanston, and Nov. 4 at Libertyville.

Anyone desiring further information can contact David Ruud at Box 5, Lake Forest.

VETERANS ASSN. HOLDS REUNION

The 624th Ordnance Ammunition Co. Association will hold their 7th annual reunion on Sept. 2, at the Otis Resort on Fox Lake.

Hosts for this year's reunion will be Harvey and Florence Henry of North Fox Lake Heights.

The members of this Association are all veterans who saw service together in the European Theater of Action during World War II.

Members come from Ohio, Indiana, Illinois, Wisconsin, Kentucky and other Eastern states.

They are still trying to contact anyone who had been overseas with them and if there should be a veteran, living out this way who knew these soldiers, come over to the Otis and say Hello on Sunday.

Last Resort Closed Again

The Last Resort, a Fox Lake Tavern, has had another complaint lodged against it by the Lake County Liquor Commission. Proprietors of the resort, Walter and Lillian Koester, have been charged with selling liquor to minors after two teen-age girls were involved in an automobile accident after they reportedly had been drinking at the establishment. There will be a hearing on the new charges on Friday before the liquor commission.

Earlier County Liquor Commissioner Robert J. Dickson had charged that he was threatened by physical violence and moral disgrace when he entered the establishment to check on reported liquor code violations.

Counter charges were made that Dickson had not conducted himself properly the night of the investigation.

At the last hearing of the charges—there were three hearings in all—the Lake County Liquor Commission ordered the tavern's license revoked. This would permanently close the Last Resort, but the tavern has the right to appeal to the Illinois Liquor Commission. They appealed the case, as expected, and obtained an injunction permitting them to remain open until the case is heard by the State commission.

Lloyd Murrie of Antioch, a member of the Lake County Liquor Commission, pointed out that the county commission can close the tavern for seven days when a charge is filed against it, with no right of appeal by the tavern.

The Last Resort is now closed again, with the new charge filed against it. The commission must then hold a hearing on the charge within the seven days.

Numerous complaints have been made to authorities, Murrie said, by residents of the area where the resort is located. Residents complained about noise from the establishment, disorderly conduct and "hot-rodding" on local roads by youthful patrons of the place.

Whether or not the Last Resort will be open for business on the big Labor Day week-end appears to depend on what action is taken by the Lake County Commission at Friday's hearing.

Local Drivers In Minor Accidents

Edith E. Elms of Antioch was reported slightly injured after the car she was driving hit a tree on North Avenue west of Tiffany Road.

The accident occurred August 23 at 10 a.m. She was taken to a doctor's office in Antioch.

A minor accident on South Main Street in Antioch, on

Contractor's Assoc. Charges Union With Unfair Practices

Strike Slows Completion of A.T.H.S.

Local No. 93 of the Plumbers' Union, on strike since Monday, is charged with violation of the Labor Relations Act, according to Robert Killian, president of the Lake McHenry County Plumbers' and Heaters' Contractors Association with the purpose of having each individual members execute individual contracts with Local 93.

Killian said the charges are contained in a letter sent to Ross M. Madden, Regional Director of the 13th Division of the National Labor Relations Board.

The charges against Plumbers' Local No. 93 reads: "Since August 15, 1962, and

continuing to date, Local 93 has engaged in a program of contacting individual members of the Lake & McHenry Co. Plumbers and Heaters Contractors Association with the purpose of having each individual members execute individual contracts with Local 93.

"This campaign is being conducted for the purpose of undermining and by-passing the Association, which has been the recognized bargaining representative of its members for the past 25

years. On or about August 24, Local 93 entered into an individual work agreement with H. R. Stewart Plumbing and Heating Co. of Cary, Ill., which company is and has been a member of the association.

"By these and other acts of by-passing the association, Local 93 has violated and is violating Sections 8B, 1B and 3 of the Fair Labor Practices Act."

The second charge is made against H. R. Stewart Co. and reads: "On or about August 24, 1962, the above employer entered into an individual work agreement with Local 93. The above named has thereby refused to bargain in good faith and by this act has contributed unlawful support to Local 93."

Killian said that because of the two charges he, as president of the Plumbers' Association, has requested that an injunction be instituted against Local 93 to enjoin the strike.

Killian further said that Commissioner Bollen of the Federal Mediation and Conciliation Service has called a meeting of representatives of the union and the Plumbers' Association for 10 a.m. Thursday (today) at the Brick and Stone Masons' Hall in Waukegan.

Killian said the association representatives would be glad to sit down and try to reach an agreement with union representatives at any time. However, he said, they can not meet the present demands of the union. Union members are asking for a 20c raise each year for three years. The Plumbers Association has offered a 10c raise and a one-year contract. Plumbers now receive \$4.50 an hour.

Killian said the Contractors' Association did not see how they could justify a raise such as is asked by the union at the present time, due to the present condition of the building industry in Lake and McHenry Counties.

Norbert C. Martin, secretary-treasurer of Plumbers' Union Local No. 93, could not be reached for comment.

The strike has delayed work on the Antioch High School, which opens next week. Work on much-needed hook-ups in the cafeteria kitchen, the washrooms and some class rooms has been stopped. Warren Polley, assistant principal, said the striking plumbers made every effort last week to complete as much of the plumbing work as they could before the strike started.

wild duck ponds and fish rearing ponds. The heavy cover here would make it the perfect sanctuary for all kinds of wildlife in the area. Hunting would not be permitted on the grounds.

The Club will begin circulating a petition, drawn up by President Richard Waters, requesting the Conservation department to make a comprehensive survey of the Chain O' Lakes and other waters in the area. This study should check the kinds of fish in the lakes, their number and rate of growth. The findings of this survey would be compared to a similar one made in 1955. This would pinpoint the changes which may have occurred in between times and steps could be taken to correct them. The Club feels this program is long overdue and immediate action is indicated to arrest a deteriorating condition.

The Conservation Club had a display, created by Ken Miller and his committee, at the Antioch Garden Club's Flower Show last Thursday and Friday.

Keulman's Jewelry Thief Apprehended

Harold Zilleckis, 22, of 9332 South University, Chicago, is being held in custody in the town of Sturgis, Mich.

Zilleckis was apprehended Monday by Sturgis authorities in an attempted jewelry store robbery there. During the questioning by police, Zilleckis orally admitted to the June 6th robbery of Keulman's Jewelry Store, Main Street, Antioch.

Although Zilleckis confessed to receiving \$18,000 for the stolen goods in the Antioch robbery, he declined to comment on where or how the merchandise was fenced. He also refused to implicate any of his suspected partners in the robbery.

In addition to the Keulman

Emmons Grade School Opens

Emmons Grade School, District No. 33, will open its doors on Tuesday, Sept. 4, 1962, at 9:30 a.m. Students will be dismissed from the building at 12 noon. Wednesday, Sept. 5, will be a full day of school beginning at 9 a.m.

Buses will make regular route pick-up and delivery runs in accordance with the announced schedule.

Monday, August 27, involved cars driven by William K. Slater, Antioch, and Kenneth J. Anderson, Rt. 4, Antioch. Slater had stopped to make a left turn when he was bumped from the rear by the car driven by Anderson. Slight damage was done to both cars. No arrests were made.

VERNA TUROVAARA as Rithelo, Jerry Burke as Meridole and Sally Flood as the Angel Rachel play in "A Tale of Chelm", one of the three plays to be presented at the Fall Fine Arts Festival Saturday.

Fine Arts Festival Sept. 1st

Three plays, a concert by the Antioch Township High School Band and an exhibition of paintings are all on the bill of fare for Saturday night's exhibition at the High School.

The Fall Fine Arts Festival is sponsored by the Palette, Masque and Lyre, The High School Band and the Antioch Art Guild. Proceeds from the Festival will be used as a backlog for the work of the Palette, Masque & Lyre next summer.

Three plays will be presented, starting at 8:15 p.m. They are "Sorry, Wrong Number," "The Happy Journey to Camden & Trenton," and "A Tale of Chelm." The High School band will give a concert during the course of the evening, and pictures by local artists will be on display along the corridor which can be viewed at intermission or before the play starts.

NICC Offered Land For Use As Club Site

The Northern Illinois Conservation Club was started on the road to its own headquarters in which to house its meetings and various activities, by William Brook, prominent Antioch banker, when he offered to make a 40 acre tract of land available to the Club for this purpose.

The parcel of land is located between Town Line and Grass Lake roads. Part of it is high hard ground upon which the clubhouse could be built. Reforestation and other conservation activities could be practiced here. The rest of it is low ground and is ideal for the creation of

News of Lakesports

1st Sat. Night Races At Waukegan Are Success

A double header racing program which included late model stock cars and sportsmen stock cars, proved successful in the first of a series of Saturday night race events at the Waukegan Speedway. It marked the first time that late model type cars have raced at the oval.

Len Kamie, Kenosha, was the undisputed star in the late model division, wheeling his 1959 Ford to a clean sweep of events which included time trials, an eight lap trophy dash, ten lap heat and 20-lap feature. Gino Wagner, Cudahy, took first place honors in the sportsmen division with his 1955 Chevrolet, winning a ten lap heat and topping the field in the 5-lap feature for that division.

Top qualifiers included Kamie with a 46.90 mph clocking and Jim Newland of Libertyville in the sportsmen class with a 42.59 mph time. Dennis Burgan, Zion, started the evening off with a win in the sportsmen division, six lap trophy dash. Jim Cossman, Waukegan, followed with a 10 lap win, followed by a 10 lap win again for Burgan and one for Wagner. Several spins and collisions took place in all sportsmen events and in one, Red Hacker, Waukegan, flipped over onto his roof but escaped uninjured. Eddie Jones, a car-

New Hunting Areas

In accordance with a new policy of opening state-owned lands to additional hunting, five conservation areas are being opened to public hunting. Squirrels may be hunted until Sept. 1 on the Mermet Lake Conservation Area northwest of Metropolis in Massac County and south of the Promised Land Road on the Horseshoe Conservation Area near Olive Branch. The

Keith Peterson Is Semi-Finalist

Keith Peterson, age 12, of Antioch, has been selected as one of the 100 semi-finalists in WGN Radio's Junior Announcer Baseball Contest. The selection was made on the basis of completing the following statement: "I would like to announce Cubs baseball on WGN-Radio because..." As a semi-finalist, he will receive a pocket sized RCA transistor radio. The winning contestant

Karry Snaps Long Jinx, Wins Main Race Event At Midwest Speedway

Bob Karry, of Waukegan and Lindenhurst, snapped a jinx that has plagued him so far this season as he came home the winner in the main event for modified stocks at the Waukegan Speedway oval Sunday night. Karry, whose previously best finish has been a fourth place, won the abbreviated eight lap heat, placed second in the main event. Smith was declared the winner of the heat event after the race was stopped on the seventh lap due to an accident which sent one driver, Ed Smith, to the hospital for treatment of facial cuts. Ed Smith's car collided with

Ducks Unlimited Chapter Formed

A move to improve duck hunting in Lake County by helping to improve Canadian breeding grounds for the birds was started in the organization of a Lake County chapter of Ducks Unlimited last week. The chapter was formed at a meeting of about 20 interested parties at Pine Lodge at Petite Lake. Among those attending the meeting were Dick Waters, president of the Northern Illinois Conservation Club, Wil-

Stern, publicity director and Ben Shostak, a resort owner at Petite Lake.

The best thing to take when one is run down is the license number of the car. — Amery Free Press.

MRS. ARTHUR RIEGLER bid \$59.72 in last week's Mail Auction sponsored by the Antioch News, and smiled happily as she viewed the beef she'd bought with her high bid.

Beef Goes For \$59.72, 4 Winners Next Week

Mrs. Arthur Riegler, Rt. 2, Box 787, Lake Villa, won the third mail auction sponsored by the Antioch News with a bid on \$59.72 for a quarter of beef.

Mrs. Riegler was on vacation in Chicago when the Antioch News tried to locate her to notify her she was high bidder. Her husband was finally contacted and Mrs. Riegler appeared to claim the meat.

The Rieglers moved to Lake Villa from Chicago 18 years ago. Mrs. Riegler has worked at Abbott Laboratories for 13 years. She arrived at her bid by arranging the ages of her four grandchildren in a number. Her fifth grandchild was born Saturday, August 25.

Fidanzo Resigns As Lindenhurst Police Force Detective

By Mrs. Bernice Bernau
Mike Fidanzo, Captain Detective of the Lindenhurst police, walked out of a police meeting Monday evening and resigned. He gave the reason for his actions in an open letter to all newspapers.

The letter starts, "It is my opinion that the Lindenhurst Police Department should get a new chief of police." Fidanzo goes on to say that he has resigned after four and a half years of service because of what he terms an unfair procedure. Some time ago, he explains, he took a course in civil and criminal investigation which he paid for himself. As a result, he was put in plain clothes, a detective division was started by the Village Board and he was put in charge of it.

On August 27, he charges, when the men were being fitted for uniforms, his name was called with others to be fitted with uniforms. He told the Chief of Police he would not ride the squad car in uniform. The Chief, he says, promptly told him to resign. Fidanzo charges he and the Chief "have never hit it off so good." Many men, he says, have resigned from the force since the present Chief of Police took over.

Antioch Grades Have Several New Teachers

The Antioch Grade School system has several new teachers as the 1962 school year starts.

Mrs. Joanne E. Diorking, who taught in the Carpentersville schools for five and one-half years, will teach first grade at the Oakland school. During the past school year she has acted as a substitute teacher for the Antioch Grade School system. She resides at 1900 Park Court, Lake Villa, with her one daughter and husband, Paul, who is a fifth grade teacher at the Antioch building.

Mrs. Phyllis J. Good, 715 Piper Lane, Lake Villa, will teach first grade at the Oakland School. She holds a B.S. degree from Illinois State Normal University. Mrs. Good had been a teacher in this system before she left to raise a family.

Mr. John F. Karolus received his B.S. degree in August, 1962 from Eastern Illinois University at Charleston. His home was in Dwight until this summer. He and his wife, Wanda, will reside at 200 Oakwood Drive. Mrs. Karolus will teach second grade at the Oakland building where he will be teaching fifth grade. Mrs. Karolus hails from Decatur,

Antioch Grade School Classes Start Sept. 5th

The first day of school for pupils of the Antioch Grade School District 34 will be Wednesday, Sept. 5, 1962. Wednesday, the 5th, will be a full day of school from 8:45 a.m. to 3:30 p.m. for all pupils except kindergarten, who attend half-day sessions. All school buses will be in operation on Wednesday, Sept. 5, picking up children eligible for bus transportation in the morning and returning them to their homes at the close of the school day.

However, school starts for the teachers of this district on Tuesday, Sept. 4. Dr. W. C. Petty, County Supt. of Schools, has declared Tuesday, Sept. 4, an Institute Workshop Day for school District 34. This day will be counted as one of the 180 days required by law for a full school term.

All teachers will report for duty at 8:15 a.m. on Tuesday, Sept. 4. Building faculty meetings will be held at 10:30 a.m. After attending a luncheon in the Antioch cafeteria for all school employees and board members, teachers

Norman Jedele & David Cain Become Business Partners

The new partnership of Norman S. Jedele and M. David Cain was announced this week and will become effective Sept. 1, 1962.

The partnership, to be known as Jedele and Cain, Certified Public Accountants, will be located in its new building at 1200 Main St., Antioch. The firm expects to move into their new quarters by Sept. 1.

Norman Jedele is well known to Antioch area residents, having had offices here since 1953. He attained his C.P.A. degree in 1951 and has been employed by Ernst and Ernst, C.P.A.'s, Milwaukee, Wis., and by Pollard and Wheeler, C.P.A.'s, Rockford, Ill.

He was also a partner in the R. & J. Chevrolet Sales, a local automobile dealer. In addition to Mr. Jedele's business background, he has been active in local civic affairs. He was a member of the Antioch grade school board of education, serving as president of that body for six years. Mr. Jedele is also a member and past president of the Antioch Lions Club.

Mr. Cain was awarded his Business Administration degree from Northwestern University in 1959 and has been employed by Jedele since his graduation. In May of this year, he passed the Illinois C.P.A. Examination.

Nicholas Palm Dies Tues. in Hospital

Nicholas Palm, 81, of Pauline Street, Cross Lake, Antioch, died Tuesday, Aug. 28, at 7:25 p.m. at Victory Memorial Hospital. He had been ill since August 22.

Mr. Paul was born Sept. 17, 1880, in Cologne, Germany. He came to America in 1884 and settled in Chicago. He moved to Merrill, Wis., then back to Chicago, where he lived until moving to Antioch 13 years ago.

He was a member of St. Paul's Evangelical Lutheran Church of Chicago. He was a charter member of the Amalgamated Meat Cutters and Butchers Workmen of America. He was a retired butcher.

His wife, Amanda, preceded him in death April 9, 1960.

He is survived by four sons, Edward of Morton Grove, Henry of Antioch, Douglas of Grayslake and James of Antioch.

He is also survived by eight grandchildren and five great-grandchildren.

Funeral services will be held at 1 p.m. Friday at Straub's Funeral Home in Antioch, with the Rev. Donald Cobb officiating. Interment will be in Irving Park Cemetery in Chicago.

Friends may call at the Straub Funeral Home after 1 p.m. Thursday.

Last Resort Closed Again

The Last Resort, a Fox Lake Tavern, has had another complaint lodged against it by the Lake County Liquor Commission. Proprietors of the resort, Walter and Lillian Koester, have been charged with selling liquor to minors after two teen-age girls were involved in an automobile accident after they reportedly had been drinking at the establishment. There will be a hearing on the new charges on Friday before the liquor commission.

Earlier County Liquor Commissioner Robert J. Dickson had charged that he was threatened by physical violence and moral disgrace when he entered the establishment to check on reported liquor code violations.

Counter charges were made that Dickson had not conducted himself properly the night of the investigation.

At the last hearing of the charges—there were three hearings in all—the Lake County Liquor Commission ordered the tavern's license revoked. This would permanently close the Last Resort, but the tavern has the right to appeal to the Illinois Liquor Commission. They appealed the case, as expected, and obtained an injunction permitting them to remain open until the case is heard by the State commission.

Lloyd Murrie of Antioch, a member of the Lake County Liquor Commission, pointed out that the county commission can close the tavern for seven days when a charge is filed against it, with no right of appeal by the tavern. The Last Resort is now closed again with the new charge filed against it. The Commission must then hold a hearing on the charge within the seven days.

Numerous complaints have been made to authorities, Murrie said, by residents of the area where the resort is located. Residents complained about noise from the establishment, disorderly conduct and "hot-rod"ing on local roads by youthful patrons of the place.

Whether or not the Last Resort will be open for business on the big Labor Day week-end appears to depend on what action is taken by the Lake County Commission at Friday's hearing.

Local Drivers In Minor Accidents

Edith E. Elms of Antioch was reported slightly injured after the car she was driving hit a tree on North Avenue west of Tiffany Road.

The accident occurred August 23 at 10 a.m. She was taken to a doctor's office in Antioch.

A minor accident on South Main Street in Antioch, on

Contractor's Assoc. Charges Union With Unfair Practices

Strike Slows Completion of A.T.H.S.

Local No. 93 of the Plumbers' Union, on strike since Monday, is charged with violation of the Labor Relations Act, according to Robert Killan, president of the Lake McHenry County Plumbers' and Heaters' Contractors' Association.

Killan said the charges are contained in a letter sent to Ross M. Madden, Regional Director of the 13th Division of the National Labor Relations Board.

The charges against Plumber's Local No. 93 reads: "Since August 15, 1962, and

continuing to date, Local 93 has engaged in a program of contacting individual members of the Lake & McHenry Co. Plumbers and Heaters Contractors Association with the purpose of having each individual members execute individual contracts with Local 93.

"This campaign is being conducted for the purpose of undermining and by-passing the Association, which has been the recognized bargaining representative of its members for the past 25

years. On or about August 24, Local 93 entered into an individual work agreement with H. R. Stewart Plumbing and Heating Co. of Cary, Ill., which company is and has been a member of the association.

"By these and other acts of by-passing the association, Local 93 has violated and is violating Sections 8B, 1B and 3 of the Fair Labor Practices Act."

The second charge is made against H. R. Stewart Co. and reads: "On or about August 24, 1962, the above employer entered into an individual work agreement with Local 93. The above named has thereby refused to bargain in good faith and by this act has contributed unlawful support to Local 93."

Killan said that because of the two charges he, as president of the Plumbers' Association, has requested that an injunction be instituted against Local 93 to enjoin the strike.

Killan further said that Commissioner Bollen of the Federal Mediation and Conciliation Service has called a meeting of representatives of the union and the Plumbers' Association for 10 a.m. Thursday (today) at the Brick and Stone Masons' Hall in Waukegan.

Killan said the association representatives would be glad to sit down and try to reach an agreement with union representatives at any time. However, he said, they can not meet the present demands of the union. Union members are asking for a 20c raise each year for three years. The Plumbers Association has offered a 10c raise and a one-year contract. Plumbers now receive \$4.50 an hour.

Killan said the Contractors' Association did not see how they could justify a raise such as is asked by the union at the present time, due to the present condition of the building industry in Lake and McHenry Counties.

Norbert C. Martin, secretary-treasurer of Plumbers' Union Local No. 93, could not be reached for comment.

The strike has delayed work on the Antioch High School, which opens next week. Work on much-needed hook-ups in the cafeteria kitchen, the washrooms and some class rooms has been stopped. Warren Polley, assistant principal, said the striking plumbers made every effort last week to complete as much of the plumbing work as they could before the strike started.

wild duck ponds and fish rearing ponds. The heavy cover here would make it the perfect sanctuary for all kinds of wildlife in the area. Hunting would not be permitted on the grounds.

The Club will begin circulating a petition, drawn up by President Richard Waters, requesting the Conservation department to make a comprehensive survey of the Chain O' Lakes and other waters in the area. This study should check the kinds of fish in the lakes, their number and rate of growth. The findings of this survey would be compared to a similar one made in 1955. This would pinpoint the changes which may have occurred in between times and steps could be taken to correct them.

The Club feels this program is long overdue and immediate action is indicated to arrest a deteriorating condition.

The Conservation Club had a display, created by Ken Miller and his committee, at the Antioch Garden Club's Flower Show last Thursday and Friday.

Keulman's Jewelry Thief Apprehended

Harold Zilleckis, 22, of 9332 South University, Chicago, is being held in custody in the town of Sturgis, Mich.

Zilleckis was apprehended Monday by Sturgis authorities in an attempted jewelry store robbery there. During the questioning by police, Zilleckis orally admitted to the June 6th robbery of Keulman's Jewelry Store, Main Street, Antioch.

Although Zilleckis confessed to receiving \$18,000 for the stolen goods in the Antioch robbery, he declined to comment on where or how the merchandise was fenced. He also refused to implicate any of his suspected partners in the robbery.

In addition to the Keulman

Emmons Grade School Opens

Emmons Grade School, District No. 33, will open its doors on Tuesday, Sept. 4, 1962, at 9:30 a.m. Students will be dismissed from the building at 12 noon. Wednesday, Sept. 5, will be a full day of school beginning at 9 a.m.

Buses will make regular route pick-up and delivery runs in accordance with the announced schedule.

Fine Arts Festival Sept. 1st

Three plays, a concert by the Antioch Township High School Band and an exhibition of paintings are all on the bill of fare for Saturday night's exhibition at the High School.

The Fall Fine Arts Festival is sponsored by the Palotte, Masque and Lyre, The High School Band and the Antioch Art Guild. Proceeds from the festival will be used as a backlog for the work of the Palotte, Masque & Lyre next summer.

Three plays will be presented, starting at 8:15 p.m. They are "Sorry, Wrong Number," "The Happy Journey to Camden & Trenton," and "A Tale of Cheim." The High School band will give a concert during the course of the evening, and pictures by local artists will be on display along the corridor which can be viewed at intermission or before the play starts.

NICC Offered Land For Use As Club Site

The Northern Illinois Conservation Club was started on the road to its own headquarters in which to house its meetings and various activities, by William Brook, prominent Antioch banker, when he offered to make a 40 acre tract of land available to the Club for this purpose.

The parcel of land is located between Town Line and Grass Lake roads. Part of it is high hard ground upon which the clubhouse could be built. Reforestation and other conservation activities could be practiced here. The rest of it is low ground and is ideal for the creation of

VERNA TUROVAARA as Rikelo, Jerry Berke as Mendele and Sally Flood as the Angel Rachel play in "A Tale of Cheim," one of the three plays to be presented at the Fall Fine Arts Festival Saturday.

EDITORIAL

OUR NAMBY-PAMBY

Two Fox Lake taverns were found guilty of illegally selling liquor to minors previous to the death by drowning of one of the youths. One was given a written slap on the wrist and a small fine.

Another tavern in the same area is charged with selling liquor to minors and with trying to obstruct the chairman of the Lake County Liquor Commission in his investigation.

These particular taverns have been spotlighted recently but they are certainly not the only taverns in the county guilty of this infringement of the law.

There has been no hue and cry from worried parents that the guilty taverns be punished, there have been no indignant letters to the editor in papers. In fact, the whole ugly mess has been pretty well ignored.

Not a parent has made his voice heard expressing concern over the well-publicized fact that these youths, and hundreds more, carry illegal identification cards, providing a welcome excuse for the tavern owner who wants to profit from the reckless foolishness of youth. No concern is expressed that "decent, well-brought-up" kids consider it perfectly legitimate to commit the double crime of purchasing liquor against the law, and compounding the crime by carrying false identification.

We would have expected a roar of indignation that would have shook public officials in their well-padded seats. There should have been indignation meetings, and ordinary citizens expressing their fury at this state of affairs. Not, perhaps, in well-chosen, reasonable phrases, that could offend no delicate ears and would look good in print the next day, but in honest anger and straight from the heart—and straight from their own integrity.

The tavern which had offended would have felt the weight of public scorn, and ostracism, and loss of business.

Any official who tried to "pass the buck", or failed to carry out the will of the people, would have known he needn't bother to run again in the next election.

Will the Voice of America—which is only the voice of each single citizen—ever be heard in the countryside again?

Scout News

Troop 86

The always-impressive and much enjoyed Honors Campfire held annually by the Channel Lake Boy Scouts, Troop 86, will be held on Saturday, Sept. 1, this year.

As in previous years, the Honors Campfire will be staged in the gravel pit at Little Orchard farm, one-fourth mile west of Fox River on Route 173.

The fire-lighting ceremony will start at 8 p.m. sharp, announced Ray Atwood, Scoutmaster. An added attraction this year will be an Indian dance using fire hoops.

Everyone in the community is invited to attend the Honors Campfire. Refreshments will be served following the program.

GIRL SCOUTS

The Lakeview Girl Scout Council Board of Directors accepted the resignation of Miss Margien Lund, Executive Director, at its June meeting, to be effective Sept. 1, 1962.

Miss Lund was employed five years ago by the former Waukegan-North Chicago Girl Scout Council. When that Council was dissolved to join forces with the Lakeside and Libertyville Councils and lone troop areas throughout North Lake County in January, 1961, Miss Lund accepted the position of Executive Director of Lakeview Council.

Miss Lund first became interested in Scouting as a girl when she joined a troop sponsored by her church in Chicago. She later became the leader of that troop. After completing her undergraduate college training at Northwestern University, she earned her master's degree in Social Administration at Western Reserve University in Cleveland. In addition to her work here, she was formerly a Girl Scout Executive

Director in Champaign and Danville councils.

She has been active in the North Lake County Community Chest Agencies Forum, Lake County Welfare Council, and has assisted in founding the Lake County Audubon Society. She has also been associated actively with the Association of Girl Scout Professional Workers, National Association of Social Workers, and the American Camping Association. She is a member of the First Congregational Church of Waukegan and the American Association of University Women.

Mrs. B. J. Froelich, president of the Council, has announced that the personnel division of the National Branch of Girl Scouts of the U.S.A. in Chicago will be assisting her in securing qualified persons to be interviewed for the Executive Director's position.

"Go Roundup" will be one of the important phases of the fall Boy Scout program. This is a national effort, with national recognition. Every unit will have the opportunity to qualify for the "A.O.K." banner, and all Scouts will have the opportunity to qualify for the "Go" patch, for recruiting and training a new member.

It is planned that the Fall Roundup will culminate in a unit "open house" in December to recognize recruits and boy recruiters.

A scouting feature will be shown on CBS Television from 9-9:30 p.m. on Sept. 9. "Badge of Honor" is a true Scouting story that happened in a major United States city. Scout Troops 88 of Channel Lake, and Troops 91 and 92 of Antioch were awarded the Honor Troop Ribbon given where 40% or more of the troop members have attained First Class or above at registration time.

Courthouse Notebook

BY LOU BURKIN

Recently a member of the Lake County Board of Supervisors, wearing his Forest Preserve District hat, discussed the forest preserve program with us and wondered aloud why the program had never gotten off the ground and inspired any real enthusiasm among the people of the county.

The most important reason, it seems to us, is that the Forest Preserve District is not the county board's "baby" and the supervisors, who also serve as district commissioners, have no real parental pride in the forest preserve program.

The Forest Preserve District was established by a referendum inspired by citizens from outside the county board and was to a degree forced upon the supervisors who feel no real compulsion to see the program advanced. Another reason for a lack of interest in the Forest Preserve District is a feeling in the county that sites are being acquired solely for use as wildlife refuges or nature study areas.

Unfortunately or not, there just aren't enough people in Lake County interested in studying flora and fauna and there is a feeling that perhaps there are already enough wildlife study areas set aside in the Illinois Beach State Park.

A surge of interest and some pointed criticisms can be expected the day the commissioners announce a policy for development of the Forest Preserve sites for recreational uses as well as wildlife study.

The Forest Preserve District should pick some sites that will be suitable for picnicking, hiking, riding trails, a site for a golf course and other recreational purposes.

There should be plans for stocking with fish any lakes developed from flood control dams in the forest preserves and provision should also be made for the development of swimming and bathing areas in these lakes.

Maybe when Forest Preserve District plans include something of interest to a wide range of people some real interest will be shown in the program.

And there should be some interest because this district is putting a pretty good bite on the taxpayers of Lake County.

The first meeting between the newly-appointed members of the Citizens Advisory Board to the Forest Preserve District and the entrenched holdover members should prove to be interesting.

The veteran members apparently have a proprietary hold on the board and want only advisory members who share their particular views.

It might be wise for the new members to express no opinions that might be at variance with those of the holdover members lest they be sneered at as mere "poli-

tical appointees" and not dedicated public-spirited citizens.

A good memory is often cited as an important ingredient in the makeup of a successful politician, but even more important is a convenient memory of the sort which make it possible for you to forget what you want to forget when you want to forget it and summon it back when the time is more propitious.

Like the memories of those Deerfield Township County board members who protest taxing residents of the entire county for a project or department that will benefit only part of the county, forgetting most conveniently that a special highway tax has been levied the past few years for the sole purpose of building a grade separation at the intersection of Deerfield Rd. and Rte. 41.

Apparently there are others besides us who have grown weary of the Twist and Rock 'n' Roll music. Recently we stopped at George Kennedy's at Druce Lake for one of his fine perch dinners and found scores of records on his juke box which took us back to the era of the big bands and swing music.

Now the Brae Loch Country Club announces a new dance policy featuring sweet and swing music on Saturdays.

If this trend continues we may get our radio fixed at home.

"The Open Mind"

Views of a much neglected aspect of the segregation dilemma, that of "The Negro in the North" was discussed on the program of the "Open Mind" series of WTTW Channel 11 Monday. The hour-long program will be repeated on Friday, Aug. 31, at 6 p.m.

Eric F. Goldman, Professor of History at Princeton University, hosts and moderates "Open Mind," a series which received a 1962 Emmy Award in New York. On this program, the professor sparks a discussion with distinguished community leaders concerning school segregation and methods of desegregation in the North, and the so-called reverse freedom riders in the South.

Letters to the Editor
August 29, 1962
Dear Editor:
It has come to our atten-

tion that The Last Resort has been closed again by the authorities, for illegal sale of liquor to minors.

Any tavern owner who will violate the law and sell liquor to minors should be dealt with to the full extent of the law, and closed permanently.

BY GEORGE Fit Comes First!

According to surveys, probably one out of three children will go back-to-school with misfitted shoes.

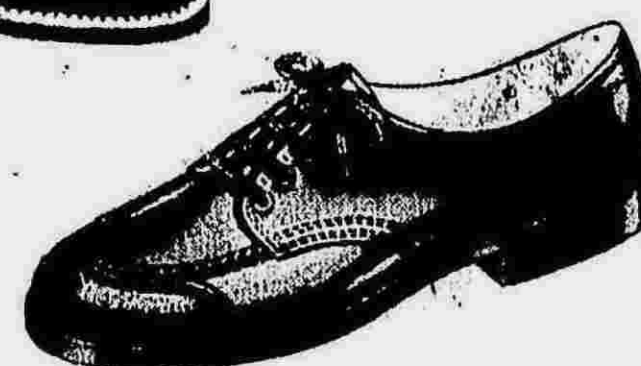

By George, this can be avoided. We have the experience, the sizes, the styles, and the brands to precisely fit tender, young, growing feet—in shoes that will do a job.

New treatments make possible shoes that resist scuffing, shed water, stay shiny longer, and soles that outwear the uppers. Imagine less polishing, fewer wet feet, more good looks and longer wear plus fit.

Course it's fun to wear the latest styles and we have loads of them—all top brands. Come in today and send the children skipping back to school in confidence.

Channel Lake News

By Pearl Kapell

The Channel Lake Community Club scheduled several activities at their last meeting. A combination rummage and bake sale will be held Saturday, Sept. 1, at the Channel Lake School. Rummage goods may be brought to the school Friday evening after 7 p.m. or left at the home of Mrs. Mary Bierman, or at the Channel Lake Food Shop on Lake Avenue.

A hayride and Box Social is scheduled for Saturday, Sept. 15. The hayride is limited to couples of Community Club age—19 or over. If it rains, the ride will be held the following Saturday.

A masquerade dance is planned, but the date has not been set.

Brownies of Troop 177 had their trip to Adventureland recently. Adventureland is

THE ANTIOCH NEWS

THURSDAY, AUGUST 20, 1963

an amusement park west of Elmhurst. Fifteen Brownies made the trip, accompanied by Diane Irmann, Lois Ward, Dorothy Marcowski and Mary Bierman.

Sun-Side subdivision will hold its regular annual picnic on Sunday, Sept. 2. The picnic will be held on the subdivision parkway on Lake Avenue.

Felter's subdivision will hold its second picnic of the year on Sunday, Sept. 2.

Hank's Welco Station on Route 21, operated by Hank Kubicki, went out of business on August 19.

Leaders Needed
The Community Club is still looking for a Brownie leader to replace Mrs. Lois Ward, who has moved into Girl Scouting. Unless someone is found soon to take this position, the very active Brownie organization may disband as so many Channel Lake organizations have.

The Channel Lake PTA needs two officers to replace Mrs. Caldwell and Mrs. Stanislaus. Don Hartman, new president of the PTA, is desperately looking for someone to fill these vacancies.

Visitors
Mr. and Mrs. William Scanlan entertained Mr. Scanlan's sister and her husband, Mr. and Mrs. George Ruch, last weekend.

Mr. and Mrs. Bruno Gutierrez, long-time former residents of Woodcrest Subdivision, visited the William Scanlans last weekend.

Mr. and Mrs. Ronald Verke and children spent the weekend at the home of Mrs. Frank Saubert. The Verkes and Mrs. Saubert attended the Verke family reunion at Millburn on Sunday.

Mr. and Mrs. Edward Jones and their three sons, David, Neil and Richard, of Lexington, Ky., are visiting at the home of Mrs. Walter Christensen. Mr. Jones is the son of Mrs. Joseph Jones. While here, the Jones are also visiting other relatives—Mrs. William Frey, the Elmer Ebermans, and others. Mrs. Joseph Jones of San Bernardino, California, is spending several months at the home of Mrs. Christensen.

School News

The Channel Lake School will open Tuesday, Sept. 4.

The Board of Education of the school has employed Weldon Andres of Ringwood, Ill., as a teacher for the fifth and sixth grades. Mr. Andres is 53 years old and has 33 years of teaching experience.

The new office for the school is nearly completed. Mrs. Elmer Eberman was employed by the school board at its last meeting as school secretary. This is the first time Channel Lake school has had a school secretary.

"Chip" Eberman has been home on leave from the Maritime Academy in New York for about a month. He underwent surgery on his knee

at the Great Lakes Hospital on August 15, and returned home from the hospital August 21.

Roger Eberman returned home August 24, after spending about six weeks at Camp Ma-Ka-Ja-Wan, working at the camp.

Entertain at Barbecue
Mr. and Mrs. David Ellen of Lake Ave., Channel Lake, entertained a group of friends last Sunday at a barbecue at their home.

Guests were Mr. and Mrs. Claude Harris and daughters Julie and Susan, Mr. and Mrs. Walter Bortman, Mr. and Mrs. John Oglin, Mr. and Mrs. Joseph Brazda and Mr. and Mrs. Robert Dimock.

All the men are members of the Loyol Order of Moose Lodge No. 285, except Mr. Ellen, who is a member of Antioch Lodge.

All the women are mem-

Dick Blondi Show Soon

Dick Blondi, disk jockey on WLS who has become an idol of teenagers, will be at the Rollin' Wheels Roller Rink in Twin Lakes with the Crescendos from 8-11 p.m. on Sunday, Sept. 2. Advance tickets for the Sunday night show are available now at the rink.

Chicago Daily News columnist John Smith called him "Chicago's Pied Piper." Billboard magazine, through a nationwide poll, honored

him with the "Disk Jockey of the Year (1961)" award.

To hundreds of thousands of teenagers across the nation he is the wild Italian. All across the country Dick Blondi has become the idol of teenagers, thanks to his 9 p.m. to midnight nightly show, which probably has more listeners than any network show on the air.

The success of the Dick Blondi show is unequaled anywhere in the country—even at WLS. Since the summer of 1960 only a few short months after the new WLS made its debut, the Blondi show has consistently been the highest rated program in its time period according to all three national rating services.

Dick's activities when not on-the-air read like an itinerary of every local civic, welfare and charitable organization in the Chicago and area. Dick has made appearances and worked hard for the March of Dimes, Champaign-Urbana Association for Mentally Retarded, the Civil Air Patrol, Highland Park Heart Fund, La Rabida Sanitarium, many CVO and YMCA groups, Knights of Columbus and many more groups all over the Midwest.

When asked to speak at the Mendel's Father Club meeting, the committee was overwhelmed when over 2,300 jammed their meeting hall to hear him.

Dick sincerely loves talking with teenagers and every week spends hours doing just that in the lobby of the WLS studios where many of them gather on school holidays.

A family man, Dick met and married his wife in Alexandria, La. They and their son, Ted, live in Evanston.

Dick's activities when not on-the-air read like an itinerary of every local civic, welfare and charitable organization in the Chicago and area. Dick has made appearances and worked hard for the March of Dimes, Champaign-Urbana Association for Mentally Retarded, the Civil Air Patrol, Highland Park Heart Fund, La Rabida Sanitarium, many CVO and YMCA groups, Knights of Columbus and many more groups all over the Midwest.

When asked to speak at the Mendel's Father Club meeting, the committee was overwhelmed when over 2,300 jammed their meeting hall to hear him.

Dick sincerely loves talking with teenagers and every week spends hours doing just that in the lobby of the WLS studios where many of them gather on school holidays.

A family man, Dick met and married his wife in Alexandria, La. They and their son, Ted, live in Evanston.

Legion Names 25 Years For New Officers Ernest Ott's

Joint installation of new officers of the American Legion Post 748 of Antioch and Auxiliary officers will be held at the Legion Hall at 8 p.m. on Thursday, Sept. 6.

Newly elected Legion Auxiliary officers are:

President, Mrs. Lydia Edwards; Mrs. Phyllis McMillen, 1st vice president; Mrs. Addie Horton, 2nd vice president; Mrs. Harle Hoffman, sergeant-at-arms; Mrs. Del Jahneke, historian; Mrs. Lucy Himmens, chaplain; Mrs. Carolyn Horan, secretary; and Mrs. Maude Johnson, treasurer.

Officers of the American Legion, who will be installed in the joint ceremonies are: John Volk, commander; George Ott, senior vice commander; Leonard Needham, junior vice commander; Edward Frazier, adjutant; J. W. Horan, finance officer; George Swenson, chaplain; Donald Gaston, sergeant-at-arms; J. L. Horan, service officer; William Chase, past commander.

90th Birthday On August 24

Mrs. Irving Paddock of Antioch was feted on her 90th birthday on August 24 at the home of Dr. and Mrs. E. C. Warner at 581 Orchard St. Mrs. Warner is a granddaughter of Mrs. Paddock.

Mrs. Paddock, who lives with her daughter, Mrs. Irving Forster of Antioch, is still active at 90. She has lived in Antioch since her marriage in 1892. Before that she lived in Plattsburg, New York.

Mrs. Paddock's nephew, Rev. Joseph Savage, said a special mass Friday morning at St. Peter's Church for her, after which he, Fr. Henderson and Fr. Honley joined the family at breakfast.

LOCAL RESIDENTS MOVE TO CALIFORNIA

Mr. and Mrs. Kennedy B. Heuer and family left Antioch Monday, Aug. 27, for their new home at 121 Borro Mio Ave., Placentia, Calif.

Mr. Heuer will assume his new position as District Sales Manager for the Frank G. Hough Co., covering Arizona, Nevada and Southern California.

Mr. Heuer is the son of the George Heuers of Petite Lake. Mrs. Heuer is the daughter of the Elmer Hunters of Antioch.

The Heuers have three sons, Dale, Jerry and Allen.

Mrs. Lester Nelson entertained at a bridge luncheon at 12:30 p.m. Monday at the Colony House.

Mrs. H. E. Shepard left Monday for Urbana to assist her daughter, Mrs. William Terry, who is ill.

FIRSTBORN

"Any child who gets raised strictly by the book is probably a first addition."—St. Anne Record.

Mr. and Mrs. Ernest Ott were really surprised with a party in their honor celebrating their 25th wedding anniversary on Sunday, August 19.

The Otts spent the weekend at the Wisconsin Delta, where they spent their honeymoon. On their return home late Sunday they were invited to a picnic at the Felter's Subdivision clubhouse. Picnics are informal, so the Otts, in shorts and with Mr. Ott in a sport shirt, went to the picnic, to be greeted by 75 guests.

The party was arranged by the Otts' daughters, Miss Lynn Ott and Mrs. John R. Laude. A buffet supper, cooked and served by the two daughters and their friends, Carole Lindley of Antioch and Ellen Bleyer of Chicago, ("We couldn't have done it without their help," says Mrs. Laude) was served to the guests. A three-tier wedding cake, cut by the "bride and groom" completed the festive meal.

The Otts were married in Chicago. They moved to Antioch 15 years ago. Their two daughters, Lynn and Marggo, attended Antioch High School—Lynn is still in high school.

Mr. Ott is an executive with Chicago Name Plate in Rogers Park.

Hospital Patients

Following is a list of some of the local people who were hospitalized during the past week:

In Victory Memorial Hospital—

Mrs. Alma Geis, Antioch; Nicholas Palm, Antioch; Brian Ladewig, Lake Villa; Andrew Cobb, Antioch; Thos. Huebner, Antioch; Mrs. Nola LaBarr, Trevor; Mrs. Winifred Andersen, Lake Villa; Harold Wilton, Antioch; Bobbie Ruth Rushing, Antioch; Mrs. Bernice Brandt, Lindenhurst.

In Zion Community Hospital—

Evie Lee Barrett, Antioch; Audie Franks, Rt. 4, Antioch; Freda Waller, Trevor; Carl Anderson, Antioch; Philip Haas, Antioch; Regas Chevas, Rt. 4, Antioch; Dorothy Sarbacker, Lake Villa.

In St. Therese Hospital: Mrs. Helen Christensen, Fox Lake; Mrs. Anna Gialds, Antioch; Walter Woertz, Lake Villa; Gregory Leksich, Antioch; Roger Stahl, Jr., Antioch; Mrs. Sylvia Presley, Lake Villa; Mrs. Naomi Boyle, Lake Villa; Mary Schindler, Fox Lake; Ellsworth Schusel, Lake Villa.

In Condell Memorial Hospital:

Eugene Bye, Antioch; Charles Schroeder, Antioch; Mrs. Josephine Hulka, Mrs. Martha Hunter, Antioch.

Little Silver Lake Improvement Assn.

The last meeting of the year of the Little Silver Lake Improvement Association will be held September 2, Sunday at 10:30 a.m. at the Community park.

MRS. RICHARD OHLGREN'S Green Beads was judged Best of Horticulture in House Plants, at the Flower and Garden Show held last week. Her winning plant is held by her sister, Mrs. Kay Christopherson, in Mrs. Ohlgren's absence.

Flower Show Rated Success

The Flower Show put on by the Antioch Garden Club last Thursday and Friday was rated a success by all who attended and viewed the many beautiful arrangements, cut flowers, growing plants and vegetables.

Mrs. Ray Bolter won the Tri-Color Award with her artistic arrangement, which was judged Best of Show.

Mrs. Clarence Spiering won the most blue ribbons—11.

Mrs. John Wagner won the Best of Show in the Table Setting Division.

Mrs. Richard Ohlgren won the Best of Show in Horticulture, Potted Plant Division.

Mrs. Earl Hays won the best of Show in the Cut Flower Division. Marcus Anderson received the Best of Show award in the Junior Potted Plant division.

There were 441 entries in the show, and 270 ribbons were awarded.

Judges were: Mrs. D. K. Sengstack, Mrs. James Kraft, Mrs. William Gilbert, Mrs. John Hazelhurst, Mrs. E. W. Heurelmann and Mrs. A. J. Mc Masters.

JIM BILL CAIN, Mrs. Joe Hunley, Heather Hunley, Joe Hunley and Steve Smouse rehearse a scene from one of the plays to be presented Saturday at the High School.

MRS. JOE (VALERIE) HUNLEY and Patti Plautz, members of the cast of "A Happy Journey to Camden and Trenton."

THURS., AUGUST 20, 1942

THE ANTIOCH NEWS

"Where The Boys Are—"

News of Servicemen

Regularly, young men of the area disappear from the local scene as they leave to serve their stint in the armed services of the United States. The boys are hungry for news from home, and friends and acquaintances here often wonder where they are and what they're doing.

In this column, regularly, will appear any news coming to us of these servicemen. So, if someone in your family is in service, send us news of him. If he would like letters from some of his friends, include his address.

SHEPPARD AFB, Tex.—Airman 3rd Class Steven E. Latta of Antioch is being reassigned to Selfridge AFB, Mich., following his graduation from the United States Air Force technical training course for aircraft engine mechanics here.

Airman Latta studied the operation and maintenance of reciprocating aircraft engines and related systems.

The son of Mr. and Mrs. Eugene H. Latta of R.R. 4, Antioch, the airman is a graduate of Antioch High School.

He entered the service in February 1942.

Duane Bauske Gradu- ates from OCS

Duane Bauske, son of Mr. and Mrs. Otto Bauske of Lake Marie, graduated on Aug. 17 from United States Officer's Candidate School at Newport, Rhode Island, and was commissioned as an officer in the U. S. Navy.

The graduation address was given by Vice Admiral E. Grenfell, Commander of the Submarine Force of the Atlantic Fleet. He spoke on

the high standards that are required of a young man entering the school.

The Admiral said the school is the only one in this country which graduates Naval officers only, and requirements of the school are stringent. Many, he said, are forced to drop out.

Mr. and Mrs. Bauske, who attended their son's graduation, have a cottage on Lake Marie and a home in Long Grove. They reported that the graduation services were very impressive.

Duane will spend the next four weeks at the United States Naval Air Base in Maryland, then will proceed to Subic Bay in the Philippine Islands. There he will have charge of an Officers' Club.

Past Presidents of Legion Auxiliary Are Honored

Thirteen past presidents of American Legion Auxiliary of Antioch, Post 748, were honored at a pot-luck supper at the Legion Hall on Friday evening, Aug. 24. Thirteen additional past presidents of the Unit were not present at the dinner. A small gift was presented to each former president who was present.

The former officers who attended the dinner were Dorothy Horan; Rose Kennedy, Maude Johnson, Lucy Himmens, Lydia Edwards, Pearl Anderson, Vera Horton, Agnes Hills, Nancy Zitzkus, Eva Kaye, Eva Fields, Deborah Van Patten and Carolyn Horan.

Mr. and Mrs. Berney Cosgrove and family of Connecticut are visiting at the home of Mrs. Joseph Cosgrove.

CARNIVAL STATED

The North Shore Loon Lake Improvement Association is having a Labor Day weekend carnival with music and dancing. Home cooked food will be served.

The North Shore youngsters are having an "amateur program" for the entertainment of their friends and neighbors. Everyone is welcome. The following children are participating:

Kevin Baumann, Kirk Baumann, Deanne Dohse, Cheryl Golonka, Denise Golonka, Eric Knudsten, Conrad Knudsten, Kerry Knudsten, Mike Laczynski, Diane Lucas.

**Over 4 loads
for the cost of 1
when you dry with Gas**

...Gas dries your wash faster and softer, too.

You save almost 4¢ a load with a modern gas dryer. Other kinds of dryers not only cost more to operate, they also require a warm-up period, and they take more time to do the job. Gas gives instant heat...dries clothes almost as fast as you can wash them. And gas doesn't have a dry baking action that sets wrinkles. Clothes come out fresh and sweet-smelling...all for a penny a load.

Saves so much work. No more back-breaking lifting and lugging wet laundry out to the yard. No more running madly to take in the wash when it rains. No more wash days postponed on account of bad weather.

Free trial offer. Visit your nearby Northern Illinois Gas Company store now. See the broad selection of gas dryers...all packed with features to make your drying easier and more efficient. Some even have a control to stop drying action automatically when clothes reach proper degree of dryness. Pick the model you want, and try it for 60 days—with no obligation. Matching washers also available. (Or check your appliance dealer for his attractive offer on gas dryers.)

THE FRANK G. HOUGH, Co.

7th and Sunnyside Libertyville, Illinois

Wilmot News

By Mrs. Herman Frank
(Written for Aug. 28)
Mr. and Mrs. Herman Frank accompanied Mr. and Mrs. Richard Frank to Milwaukee Sunday to attend the graduation of Eva Smith from Misericordia Hospital School of Nursing at Holy Angels Auditorium, and also attended the reception at the home of her parents, Mr. and Mrs. Earl Smith, Lily Lake, Wis., for 45 relatives and friends.

M/Sgt. Ronald Shottliff of Recovery Squadron spent two weeks in the reserves at Rock County Airport, Janesville. Forty-five members of the Orlando Winter Visitors club had their picnic Wednesday at Racine County Fair Grounds, Union Grove. Games were played, treasure hunt was held. Memorial services were held. Business meeting with election of officers was held with Mr. and Mrs. George Higgins and Mr. Guy Johnson being re-elected. The group was addressed by the serious illness of Mrs. William Roberts of Eagle Lake.

Mr. and Mrs. Victor Muller, Mrs. Lloyd Terry and family, Mrs. Ed Terry and Ed, Jr., Mr. and Mrs. Max Muller and family, Mrs. Marie Muller, Mrs. Irvan Kania, Mr. Ronald McDonald, Mr. and Mrs. Glen Kastman and family attended the first profession in the Order of the Sorrowful Mothers, Milwaukee, of Sister Mary Antonice, formerly Sandra Muller of Wilmot. A double birthday celebration was held.

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa, 356-3372
LAKE VILLA—The next regular meeting of the Lake Villa VFW Auxiliary will be held Wednesday, Sept. 5, instead of Monday, as Labor day falls on Monday.

Carla Bartlett entertained a number of playmates Monday in observance of her tenth birthday.

Games were played and cake and ice cream enjoyed by all.
Mrs. Helen Bartlett was honored at a surprise party Sunday in observance of her birthday.

Mr. and Mrs. Elbert Elkins entertained relatives and friends from Alabama over the weekend.

Mr. and Mrs. Russell Wilson had 27 guests for dinner Sunday at their home.

Brian Ladewig returned home from the Victory Memorial hospital Sunday after undergoing surgery there last week. He is recovering nicely.

William Simensen and his son, Jeffrey, were honored at a party Saturday in observance of their birthdays. The Royal Neighbors of Cedar Lake Camp will hold their next regular meeting Tuesday, Sept. 11, starting at 8 p.m., at the Lake Villa village hall.

The Fish families held a family reunion Sunday at the home of Mr. and Mrs. Fred Teichert of Loon Lake, Antioch. Families from Waukegan, Chicago, Barrington, Antioch and Grayslake attended. A picnic was enjoyed by all.

SEPTEMBER, 1962 WEATHER FORECAST

The month of September as a whole is expected to average WARMER and DRYER than the normals over the greater Chicago area.

A large portion of the month will experience a return of more summer-like temperatures, with the highs for the day going well into the 90's several times. No real cooling is expected until near the end of the month and then only a slightly cooler trend, but with temperatures still averaging somewhat warmer than the normals.

The warmest weather will be during the first half of the month, and particularly during the second week from the 7th thru the 15th when unusual warmth will prevail with temperatures climbing well into the 90's. A short break from the heat will occur around the 16th, and then on the 20th or 21st another hot spell will hit for three or four days. A gradual cooling will then set in from the 26th through the end of the month with temperatures occasionally dropping into the low 40's.

Precipitation for the month will be very light. Except for an occasional light thunderstorm, with rain of short duration, the skies will be generally sunny for most of the month. There should be no extended rain periods.

The period from September 1st through the 10th will be quite dry, except for some light rain around the 7th or 8th. A fair amount of rain will fall from thunderstorms about the 11th or 12th, then another extended dry spell will persist until the 25th except for light showers on the 16th. Near the 25th a fairly heavy rainfall will occur which will usher in a gradual cooling trend.

Winds for the month should be light, except for occasionally strong in thunderstorms particularly around the 11th or 12th, and the 25th. These however will be of rather short duration, and will shift from southerly to northwesterly.

Feature Race at Wilmot Is Won by Stillman

Wolff Leads Spectator Feature Event

Eddie Stillman of Milwaukee started last in the 16 car field in the feature race at Wilmot Saturday night and steadily came toward the front, but not until the 46th lap did he look like a winner and then only as a second place finisher. However, Stillman passed Karry Ratajczyk and Bozman by the 49th lap and then closed in on

Jr. Dodd and in the last quarter of a lap took the win at the checkered flag by only a car length. It was a rich win for Stillman as he took double points as well as an additional \$50 for the extra distance feature. Behind Dodd of Waukegan were Jim Bozman, Waukegan, Bob Ratajczyk of Milwaukee and Bob Karry of Waukegan.

Stillman averaged more than 52 miles per hour in the win. After a first lap restart when the back of the field bunched, it was a perfect race all the way through with Dodd taking the lead from Bozman on the fifth lap and going out as far as half a lap ahead of the field before being slowed down as he lapped cars allowing the field to catch him.

Bill Shoulders of Waukegan came back to make his first racing appearance in several weeks and took the winner's checkered flag in the semi feature and a heat race. Other heat race winners were Ron Hanson of Waukegan, Fran Seamans, Milwaukee, and Doug Banel of Milwaukee.

In the exciting spectator car events, Mike Wolff of Lake Villa, picked up valuable points toward the season championship as he won the feature and a heat. Roger Hagl, of Antioch, was winner of the other heat. He had taken the lead of the feature but spun and rolled over and out of the race.

The early morning rains made a heavy track for the drivers and in an effort to make the best possible track for racing, the time trials were eliminated and time used to work the track into better condition. Races were started according to point standings.

Next week's race will feature a 75 lap feature with \$75 extra going to the winner. In spectator car racing and speedway type big car racing held on Wednesday, Aug. 22, winners were Mike Wolff, Charley Anderson, Thurman Mayfield and Pop Kline.

Junior Season Will Start on Sept. 8

Junior League Bowlers will start their regular bowling on Sept. 8 at 10:30 a.m. The League has fourteen teams this year. Bantam bowlers will be notified of starting date later.

SENIORS RETURNING to the football squad this year. Front row, left to right — Ron Oler, Lee Galt, Doug Lang, Rick Prosser, Ken Shawan, Ron Van Rooyen, Diane Rathbone, Jim Brownlee. Back Row — Asst. Coach Charles Stockhecke, Asst. Coach Gary Allen, Tom Furlan, Sophomore Coach Doug Ritsberg, Rick Fowles, Dean Horton, Head Varsity Coach Roy Nelson, Ritch Fitch, Asst. Coach James Erdmann.

THE VARSITY FOOTBALL team starts to toughen up for the fall season at Antioch Township High School.

Pile-Ups, Spin-Outs, Thrill Crowd at Midwest

WAUKEGAN, Sunday, August 26—John Reimer, Caledonia, Wis., finally came home with the long sought after feature victory as he won his first 25 lap main event for modified stocks at the Waukegan Speedway, Sunday night.

Reimer led from start to finish to come home the winner at a near record speed averaging 52.02 mph. Starting on the pole, Reimer had little difficulty in gaining a sizeable lead.

Action started fast in the feature event. Swede Erickson, Gurnee, spun on the second corner of the first lap and a restart was called. On the second lap, George Uttech, Kenosha, spun and caused a chain reaction pile-up which saw last week's feature winner, Bob Karry of Waukegan, become sandwiched between Ittch and Russ Reynolds, Racine. Subsequent cars continued to plow into the stalled vehicles and the red flag again brought activities to a halt. All were able to continue. Karry, back in his hard luck streak once again, collided with Ted Shuster, Zion, on the first lap of the second

restart and lost a lap before he could continue. Shuster remained stalled for the remainder of the race.

Had not the red flag fallen for the second time, it must undoubtedly have been another track record for Reimer. His speed was only .08 mph off the existing record set by Ken Tlougan last Sept. 17.

Fuller Wins Semi
Racine's Rod Fuller turned in another double victory, taking the top honors in the 15 lap semi and a preliminary 10 lap heat. In the semi event he took the lead on the 9th lap after earlier leaders spun out of the event. In the heat, he won the race on the last turn as he nosed out a hometownsman, Russ Reynolds to take the victory.

Golf Match For Ill. Amateurs and Pros

The 13th annual Illinois Invitational Championship of the Chicago District Golf Association and Illinois Section, PGA will be held at Glen Oak Country Club, (Glen Ellyn), on Sept. 10, 11 and 12.

Entries will be limited to professionals and amateurs who reside in Illinois. Amateurs must have validated CDGA handicaps of 6 or under. Professionals must be members of the Illinois Section, PGA. Entry fee is \$20 for professionals and \$25 for amateurs. Entries will close Aug. 31 in the CDGA office, Room 241 LaSalle Hotel, Chicago.

The entire field will play 18 holes on Monday (Sept. 10) and 18 holes on Tuesday (Sept. 11) with the sixty low scorers and ties playing the final 18 holes on Wednesday (Sept. 12).

Labor Day Week-End Races at Midway

A gigantic weekend of racing has been set for the Labor Day weekend at the popular Waukegan speedway. West Washington St., just west of the Green Bay road in Waukegan.

Track Manager Mike Kaishian has scheduled another Saturday night program of sportsmen and late model stock cars, followed by a Sunday evening program of modified stock and sportsmen stock cars.

The September 1 date is expected to draw a field of some 40 sportsmen cars plus a large number of late model entries. Sunday, Sept. 2, will see nearly 50 modifieds on hand plus another large number of sportsmen cars. Time trials both nights will get under way at 7:15 p.m. with racing scheduled to start at 8:30 p.m.

Drag Races Slated For Sept. 8 - 9

Speeds approximating 180 mph will be the rule rather than the exception when the Sixth Annual National Championship Drag Races are held on Sept. 8 and 9, at the Great Lakes Dragway, Union Grove, Wis.

More than 250 entrants are expected to compete on the 4500 foot asphalt strip. The track is equipped with electronically controlled speed traps to record the amazing speeds of the world's fastest land machines.

On Saturday, Sept. 8, time trials begin at 9 a.m. with the Stock Car Championship eliminations and speed runs beginning at 6 p.m.

On Sunday, Sept. 9, the gates open at 9 a.m. for the time trials and speed runs, with the final hot car eliminations beginning at 1 p.m.

Strict track safety regulations require that fireproof suits and leather face masks be worn to protect the drivers from fire or engine blow-ups. Parachutes are required for braking purposes on all cars exceeding over 140 miles per hour.

More than 40 dragsters are expected for this championship, in addition to 76 other classes, which include Altereds, competition coupe and sedan; roadsters; gas coupe and sedan, modified sports cars as well as the conventional stocks that are driven on the streets.

The Great Lakes Dragway

THE ANTIOCH NEWS

THURSDAY, AUGUST 26, 1965

Establish No-Wake Area on Fox River

A "no-wake" area was established on a three-quarter mile stretch of the Fox River from the bridge on Route 173 north, at a hearing held by the Illinois Conservation Department in the Antioch Scout House last week.

The hearing was scheduled after a petition was presented to the Conservation Department by local residents asking for the limit on the speed of boats. About 20 persons were present at the hearing.

"Dixie" Davis conducted the hearing. No opposition to the speed limit was expressed.

About two weeks will be required for legal notices, etc., before the ruling becomes law. It will be enforced by the Conservation Department.

The question was raised at the hearing as to what course a citizen could follow when he observed a boat breaking the ruling and no enforcement official was present. Conservation department officials said the number of the boat, report it to the Conservation Department, who will check the number and ascertain the owner of the boat. The citizen observing the infringement can then sign a complaint against the boat owner.

Lake Villa Little Leaguers Picnic

By Mrs. Bernice Bernau
The Lake Villa Township Little League held its annual picnic at Sherwood Park Saturday with about 25 families attending. Trophies were awarded to the following players.

On the Braves team: for best sportsmanship, Dennis Peterson; most valuable player, Joseph Ham; best hitting, Steve Miklausch.

On the Yanks team: best sportsmanship, Terry Nickerson; most valuable player, Ricky Vitek; best hitting, Glen Bocox.

On the Dodgers team: there was a tie for best sportsmanship: Don Sherwood and Ricky Bonovitz; most valuable player, Jim Rix; best hitting, Mike Salzeider.

Pirates: best sportsman ship: Joey Fosco; most valuable player, Timmy Dobslaf; best hitting, Mike Vaughn. Cubs: best sportsmanship, Jim Austin; most valuable player, Ralph Zane; best hitting, Steve Schmeisser.

Sox: best sportsmanship, Pete Schmeisser; outstanding player, Carl Jernrich; best batting, Bob Bartz. The Sox team was the first place team. Pete Holloch was their manager.

The best sportsmanship trophy is voted upon by the boys. They choose the winner themselves.

There will be a meeting Sept. 16 at 1 p.m. at the VFW Post, for anyone interested in Little League. New officers will be elected.

is located 20 miles south of Milwaukee, on the Racine-Kenosha County Line road. It is 12 miles north of the Wisconsin-Illinois State Line, on Hwy. 45, at Union Grove.

Jones, Dugan, Winners At Speedway Saturday

WAUKEGAN, Aug. 25—Eddie Jones and Bob Dugan were the big winners here as the Waukegan Speedway presented its second Saturday night program of sportsmen and late model stock car racing. Jones, piloting a 1955 Chevy, won the 15 lap feature for the sportsmen cars while a 1961 Ford, driven by Dugan, was the top money winner in the late model division.

Jones walked off with the \$100 first place prize as he came from the rear end of the field to take the lead and eventual win on the 3rd lap of the contest. By the sixth lap, point leader Dennis Burgan of Zion, had moved into a challenging second spot but was unsuccessful in his efforts to get by Jones and finished about a car's length behind. Jones averaged 45.89 mph in taking the win.

Burgan had a busy night cut out for him. Starting on the pole in the late model feature event, he jumped out to an early lead, but by the tenth lap, Dugan and Len Kannie, Kenosha, were riding on his bumper in a cheer provoking battle. Not far behind another hot battle for fourth spot was taking place between Don Miller, Gurnee in a '57 Ford and Cary Peachman, Waukegan, in a '57 Dodge.

A lap later Burgan was momentarily stopped by slower cars he was lapping. Dugan sneaked by to take the lead and Kannie followed in that order with Burgan taking a close third. Miller had succeeded in getting past Peachman, but only did so by giving him a hard tap and spinning Peachman out. He recovered to finish fifth place behind Miller.

Dugan had also copped the 5 lap trophy dash by less than a quarter car length over Kannie. Kannie in his '59 Ford had turned the night's fastest qualifying time at a speed of 47.47 mph.

Don Miller, driving a '55 Plymouth in the sportsmen division emerged uninjured when he flipped over onto his roof in the first heat event. The race was stopped in order to get Miller out of the overturned automobile which was blocking the track.

Burgan captured the trophy

dash for sportsmen cars by taking the lead on the final turn after early leader Tom Dill, Waukegan, was pushed out of the way by Mel Smith, Zion. Burgan was also the night's fast qualifier for that division, averaging 46.69 mph.

Darts vs. Checkers Take Turns Winning

By Mrs. Fred Bartlett
LAKE VILLA—The Lake Villa Women's softball team, recently formed in Lake Villa and known as the "Checkers," is setting a record for the games they played. They have played the Antioch Darts, the Nylons, and the Dominos on several occasions, and have an 8 to 4 record.

They practice two nights a week, their managers are Fred Popp, Jr. and Fred Bartlett, Jr. The team consists of married and single girls, ages from 16 up.

Those playing on the team are Alyce Brownlee, Carol Bartlett, Arlyn Popp, Lois Hartmann, Sandy Schneider, Betty Schneider, Donna Michaels, Roberta Armstrong, Jean Haling, Jackie Vos, Carol Mortensen, Marlys Westin, Joyce Sheehan, Donna Wagner, Loretta Gravelle and Colette Walker.

They played the Antioch Darts Sunday and lost 13 to 4 to the Darts. Wednesday night they played Antioch and won.

The Checkers are willing to play other teams this year, anyone interested may call El. 6-5289 or El. 6-5440.

Road America "500" Race on Sept. 8-9

ELKHART LAKE, Wis.—The official schedule of events for the Sept. 8-9 Road America "500" was announced by President Cliff Tuttle.

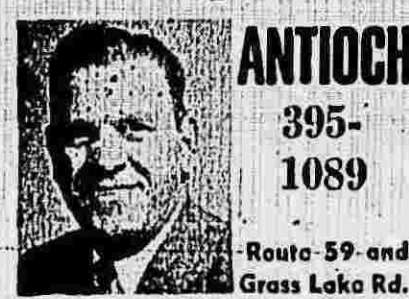

For the sixth year, the national championship 500-mile race on Sunday will be the feature event, a race for the big modified cars of classes C-D-E-F-G towards Sports Car Club of America points. The 125-lap race will begin at 10:30 a.m. on Sunday, Sept. 9.

Grunts 'N Groans At H.S. Friday

Bo-Bo Brazil, one of the greatest drawing cards in wrestling will clash with Angelo Poffo, of Downers Grove Friday, Aug. 31, in the Antioch High School football field.

Brazil, who weighs 275 pounds and stands six feet, four inches in height, has wrestled in many foreign lands in addition to his mat career in the USA.

Angelo Poffo is a former DePaul University all around athlete. While in the Navy in San Diego, Poffo chalked up a record of 6,033 consecutive situps. In his college career he was injured while playing baseball and he then turned to wrestling as a career.

In a tag match on the card, the Fabulous Kangaroos of Australia wrestle the team of Johnny Kace of Antioch, and Nicoli Volkoff, of Leningrad, Russia. The Kangaroos will have as their "second" and adviser, Red Berry, veteran wrestler, who is rated one of the most colorful wrestling athletes in the mat sport.

Billy Goetz of Fox Lake wrestles the youthful Gary Hart of Chicago. Goetz has the experience over his rival, but Hart has speed and power to offset his rival's experience.
